 experts from iran has visited ussr. This he adds, is because

of attention paid by islamic republic to expansion of knowledge.
 Speaks about visits to cotton research centers in tashkent and
 samarkand and about progress achieved in area of cotton cultivation

in ussr. Speaks about warm hospitality extended to delegation
 by employees of research centers and by farmers and expresses

hopes that such scientific and technical exchanges expand.

In conclusion and responding to question on his observations

in uzbek sssr, its people and traditions, iranian delegation

member says very short visit was sufficient to show farmers in

uzbek sssr are progressing and are trying to elevate level of

agricultural production. says uzbeks have many characteristics

similar to those of iranian people. they believe in islamic

traditions; they have preserved their national dress; and are very

active. (4 min: persian 1800)
